My dear Gov. Mead.

Congratulations and many of them for the splendid gift to Middlebury College. This is a most worthy reminder of your great loyalty to this institution, and one that can, and will be instrumental in great good to the student body as long as time lasts. I almost envy you future, for who can foretell how many boys and girls will receive inspiration for the better things of life by reason of this worthy place. Your honorable public career is certainly crowned glorified by this act. May the Heavenly Father in whom we believe, preserve your life many years. Sincerely Yours. J. E. Weeks
